

PHOTOS BY ANAHY-Family Session

SCHEDULING

The best lighting for your photo session is one hour before sunset. Please e-mail under the “contact” portion of my website or at anahy@photosbyanahy.com for availability.

RETAINER

A \$50 retainer is due to book your session. Once we have agreed on a date, time, and location, you will receive an invoice via PayPal. Once that is paid, your session will be booked, and I will not accept any other appointments for your scheduled time. You do not need a PayPal account to pay the invoice which can be paid with credit or debit. The retaining fee is non-refundable. Upon payment, you are agreeing to the terms and conditions stated on the invoice.

CANCELLATION POLICY

If client cancellation occurs after the session retainer has been paid, client then forfeits the retaining fee as compensation to the photographer for holding the agreed time at which other clients could have been booked. Exception is made for inclement weather, which the photographer may deem unsuitable for photography. In this case, the retainer may be transferred to a new session time.

SESSION FEE

Total session cost is \$250 and includes:

- 1 hour of photography at the location of your choice or mine if requested by client
- Professional post-processing on all images completed within 2 weeks of your session day
- An online gallery of a minimum of 30 high resolution images from your session available for digital download which include printing rights
- Convenient online hosting of your gallery for 30 days for viewing and sharing

PAYMENT

The remaining balance of the session fee, after the retainer is applied, is due at the end of your session. Cash or personal check are acceptable.
